Issue No 2

Monday 8 September 2008

Dear Parents,

In our belief statement assembly this morning we shared the statement, '**I can say one good thing about myself.**' We often focus on the things we cannot do well and forget the things we are good at. It is important that we remember that we all have our good points and we use them to help us when we find other things hard.

This week's assemblies

You are most welcome to join us this week at the following assemblies:

Wednesday 17 September - Class 1 Assembly, 2.30pm

Friday 19 September - Birthday Assembly, 9.00am

Data Collection Forms

Please return these as soon as possible, it is vital that we have up to date contact information for all of the children in school.

Sickness and diarrhoea

If your child has been suffering from sickness and diarrhoea you should not send them into school for 48 hours after it stops. This means that they will not pass on any bugs to other people in school.

Bonus Ball

The bonus ball starts up again this week, please try to pay Cherry by Friday of each week. This is a really useful way of helping to raise funds for school.

Swimming

Please remember that Class 1 will be swimming on Wednesday morning, Class 1's doors will open at 8.35am, and Class 3 on Thursday afternoon. Please remember that swimming is a part of the curriculum and that children should take part unless they are very poorly. Children should wear proper swimming costumes and remember that **no** jewellery can be worn.

School Closure Days

School will be closed on Friday 26 September and Monday 24 November for teacher training days.

After School Activities the following after school clubs will begin this week.
